CIRCULATION POLICY

- \$0.10 per day for music CDs to \$5.00 maximum per music CD.
- \$0.10 per day for magazines to \$5.00 maximum per magazine.
- \$0.10 per day for videocassettes to \$5.00 maximum per videocassette.
- \$1.00 per day for DVDs to \$5.00 maximum per DVD.
- *Patron accounts will be blocked automatically and patrons' library privileges suspended when a fine/fee threshold of \$5.00 is reached.*
- *Payment of \$10.00 per patron account will clear a patron's existing OVERDUE fees in excess of that amount. All other fees, e.g. fees for lost/damaged items, must be paid in full. Upon payment, patrons' library privileges will be restored.*

RENEWALS:

- Items on reserve may not be renewed.
- Books and audiobooks may be renewed up to two times; other materials may be renewed once by phone or in-person only.
- ILL items may be renewed only after the owning library grants permission.

RESERVES

Books are kept on the reserve shelf for three (3) days after a patron has been called or otherwise notified of the material's availability, including the day on which first contact is made. We will attempt to reach the patron by telephone for three days, after which time the patron's name will be removed from the waiting list and the material returned to the owning library.

CHARGES FOR LOST/DAMAGED BOOKS AND MATERIALS

If an item is lost or damaged to such an extent as to warrant that it be replaced, the charge is the actual replacement cost of the item, or, the default price indicated in the item's electronic record.

Once a patron has paid for an item, the patron has purchased the item and the item is the patron's to keep.

RETURNED CHECKS

Patrons are responsible for any fees or charges to the Library due to their paying fines or other debts with checks that cannot be properly processed.

Revision adopted by Dover Free Public Library Board of Trustees, 4/8/2010.
